

NEW WAEYC DIRECTORY COMING SOON!

We are very excited to announce that a new WAEYC Directory is in the works! Many years ago the “red book” was readily available with information on every early childhood program in Westchester but so many years have passed with older programs changing and new centers emerging. It is an invaluable resource for directors, parents and all businesses involved in early childhood. For an initial fee of \$25.00, your center will be listed in the directory plus one copy, hot off the press, will arrive at your door. Additional copies will be available for \$10.00 each. Our goal is to have the directories available no later than September 2007. If you have a multi site operation, you must complete an application for each site and send with the \$25.00 fee. The deadline for programs submitting their information is December 1, 2007. So please fill out the page of directory listing information and return to the address listed on the sheet.

- Linda Jo Platt

Listing Information for Upcoming WAEYC Directory
Deadline for submission December 1st, 2007

Name of School _____

Address _____

Mailing Address if different from above _____

Phone Number _____ **E-mail** _____ **Web Site** _____
